Allowable Subject Matter

Claims 1,2,17-18 and 21-35 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Art Unit: 2879

Regarding claim 1,17 and 33 the prior art of record fails to teach or render obvious an addressable electroluminescent device having all the limitations as claimed and particularly comprising the electrically conductive backplane layer between the third and fifth layers, following substantially the path of the electrically conductive tracks.

Claims 2,21-32 are allowable because of their dependency status from the allowed base claim 1.

Claims 18,34 and 35 are allowed because of their dependency status from the allowed base claim 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
